## HERITAGE LOUNGE

### **2019 Cypress Ranch Vineyard Cabernet Sauvignon**

Our Cypress Ranch Vineyard Cabernet Sauvignon is a highly structured, single-vineyard wine from the Vaca Mountains. The dark, inky hues that show in the glass reveal the warmth and sunny location where the grapes thrive. Aromas of sifted cocoa, cinnamon, and nutmeg lead to notes of melted licorice, cherry cola, and crème de cassis. Plush, dusty tannins add to the complexity and a touch of violet punctuates the long finish.

### **2018 Monte Rosso Vineyard Cabernet Sauvignon**

Our 2018 Monte Rosso Vineyard Cabernet Sauvignon is a slice of history in a glass. We gathered the fruit from a selection of our favorite blocks in our historic Monte Rosso Vineyard, including the oldest Cabernet Sauvignon block in California. The nose fills with Monte Rosso's signature spice and sweet wood aromatics and a thread of smoky ancho. Notes of ripe cherry, black currant and warm plum compote fill the palate. Underlying hints of sarsaparilla and caramelized oak lead to a long, earthy finish with a touch of wet clay.

### **2018 Howell Mountain Cabernet Sauvignon**

The 2018 vintage reveals a bouquet of traditional Cabernet aromas awakened by undertones of forest floor, pine needle and fragrant loam. The plush yet powerful palate showcases notes of black currant, elderberry, cocoa dusted truffle, and cedar. The long, textured finish leaves an enduring impression. This cabernet will reward those with enough patience to lay in their cellar for five to ten years.

### **2019 Stagecoach Vineyard Cabernet Sauvignon**

Stagecoach Vineyard Cabernet Sauvignon brings the presence of nearly 1,800 feet elevation piercing through the fog and the unforgiving rocky terrain to this wine. A dense concentration of blueberry reduction and black currant from the longer ripening season rises from the glass. Notes of black mission fig and mocha dust are framed by crushed bay leaf and star anise. A buoyant, supple structure and youthful mouthfeel carries through to a lasting finish.

### **2018 Lot No. 1 Cabernet Sauvignon**

The 2018 vintage is comprised of Cabernet Sauvignon from Stagecoach Vineyard, Mount Veeder, Atlas Peak, Howell Mountain, and other outstanding sites throughout Napa Valley AVA. From a growing perspective the 2018 vintage began like 2017, with plentiful winter rains. A consistently warm and steady summer eased into a mild fall, resulting in a slightly later harvest that delivered beautifully developed fruit with outstanding mountainside characteristics.
