

CROWN COLLECTION EXPERIENCE

2016 Cypress Ranch Cabernet Sauvignon

Vine roots delved deep into gently sloping hillsides, with sun-kissed days and cool nights, allowing the grapes to ripen fully and evenly. As we individually handpicked each block, we discovered optimum maturity and complexity. Intense aromatics, outstanding finesse, and a harmonious balance.

2019 Monte Rosso Vineyard Cabernet Sauvignon

Our winemakers source the fruit from our most cherished blocks, including the oldest Cabernet Sauvignon block in California. Monte Rosso's signature spice and sweet aromatics envelop your senses. Ripe cherry, black currant, and warm plum compote complete this vinous journey.

2018 Howell Mountain Cabernet Sauvignon

Aromas of forest floor, pine needle, and fragrant loam awakening your senses. Plush yet powerful palate with black currant, elderberry, and cocoa-dusted truffles. As you sip, the textured finish leaves an enduring impression.

2019 Stagecoach Vineyard Cabernet Sauvignon

A top of the mountain revelation— from over 2,000 feet above the mist. Blueberry reduction and black currant rising from the glass. Notes of black mission fig and mocha dust, framed by crushed bay leaf and star anise. Cheerful, supple, and ever youthful.

2018 Lot No. 1 Cabernet Sauvignon

An appellation mosaic—weaves together vineyards from Stagecoach, Mount Veeder, Atlas Peak, Howell Mountain, the most precious Napa Valley gems. We harvested beautifully developed fruit—each grape revealing its mountainside terroir. It's like sipping the essence of Napa's rugged elegance.
