

LOUIS M MARTINI.

2023 MONTE ROSSO VINEYARD SÉMILLON

WINEMAKER NOTES

Sourced entirely from our Monte Rosso Vineyard in Moon Mountain, the fruit for our Sémillon was hand-harvested then hand-sorted at our winery. The wine underwent 10-month élevage in 39% concrete egg, 37% new Austrian oak, and 24% used oak.

VITICULTURAL NOTES

Vintage 2023 was one of the Napa Valley’s longest growing seasons in over a decade. With consistent, mild weather, above-average crop yields, and extended hang time, 2023 is an exceptional, high-quality, memorable vintage.
